

# NEW BUILDING CONSTRUCTION HAS STARTED

We are pleased to announce our new building construction has started. We will remain open and continue to serve you as normal during the construction period. As this project is getting under way, the construction fencing has displaced some existing parking spaces. At times, access may be limited and we suggest you utilize online banking, our mobile app or call us for simple non-cash transfer or payment transactions.

Groundbreaking took place on December 16, 2021. Our new state-of-the-art facility will house a new larger teller area, dedicated loan and new account offices, a drive-thru lane and an ATM.

Thank you for your patience and membership. We hope you will stop by upon completion of the construction for a week of festivities and giveaways. Watch for updates throughout the construction process.
